## 01 PROFILE

I am an experienced Software and Web Developer adept in bringing forth expertise in design, installation, testing and maintenance of software systems. Equipped with a diverse and promising skill-set. Proficient in various platforms, and languages. Experienced with the latest cutting edge development tools and procedures. Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team. I code and develop apps which turn ideas into reality and any time you need a project for your business, a clients or any kind of work, I have got you covered.

## 02 EMPLOYMENT HISTORY

May 2018 — Nov 2018

Accra

### Frontend-End Developer at Beltsville

- Helped to achieve a consistent look and visual theme across the website by promoting uniform fonts, formatting, images, and layout.
- Effectively multi tasked and worked well with internal and external teams.
- Oversaw all aspects of design and development, and offered design solutions when necessary.

Jan 2019 — Dec 2019

Accra

### Back-End Developer at Eastern Rail Farms

- Created an e commerce website for their agriculture work which helped in making over GHC 200,000.00 in less than a year.
- Managed front-end and back-end development in the company's Portfolio Analyst, Employee Track, and Account Management systems.
- Improved the company's data base system to keep track of all investments and monies that goes in and out of the company.

Feb 2020 — May 2021

Cape Coast

### Full Stack Web development at Believers Loveworld Cape Coast

- Worked to solve complex problems using the latest in Cloud, Mobile, and Web Technologies.

- Managed front-end and back-end development in the company's Portfolio Analyst, Employee Track, and Account Management systems.

## Mobile Development at Christ Embassy Adenta

- Worked to solve data base issues which included keep track of church attendance, church offerings, and all kinds of givings in the church.
- Placed the church activities online for people to see and engage in online services. Which helped people to give their tithes and offering online.
